# Soap

People have no idea how crude and cruel soap can be. It takes off dirt. So far, so good; but what else does it do?

It cuts the skin and frets the under-skin; makes redness and roughness and leads to worse. Not soap, but the alkali in it.

Pears' Soap has no free, alkali in it. It neither reddens nor roughens the skin. It responds to water instantly; washes and rinses off in a twinkling; is as gentle as strong; and the after-effect is every way good.
